At Wath Academy, we are passionate about you receiving world-class learning, so you can go on to get first-rate qualifications and thrive in the top colleges, apprenticeships and universities in the country.

Therefore, when needing to self-isolate you will be attending your lessons online with your subject teachers on Microsoft Teams. In these lessons we have the same highest expectations that we have of you in school.

- **You must download or test the device before the lesson.** You will need to check that the equipment that you are using is ready for the live lesson. You need to make sure that sound is working on the device that you will be using.
- **You must attend every live lesson.** You will follow your normal timetable of lessons and teachers will send you an invite which will appear on your Teams Calendar (see student guide on how to access). Live lesson information will be shared on Teams with Class Materials.
- **Your camera must be blocked and your microphone muted.** This is for safeguarding reasons and to ensure the lesson runs as smoothly as possible and does not impact on the lesson taking place in the classroom.
- **You must not have a profile picture on your school account.** Again, this is for safeguarding reasons.
- **You must have equipment ready.** Please read any instructions carefully that your teacher will have added to the live lesson description and be prepared with the correct equipment and resources for the lesson.
- **You must submit your work.** Teachers will give you clear instructions about how they want work to be submitted.
- **You must engage with all lessons as outstanding learners.** Complete all tasks set by your teacher with 100% effort and follow all instructions the first time you're asked. You should only use the chat facility if you have a question for the teacher. Teachers will be following the normal Consequences system, and you will be removed from the live lesson if you receive a C3 – and your parents/guardians will be contacted.
- All absences will be recorded and parents/carers contacted if you do not attend.

We have a zero tolerance policy on the following behaviour - if any student does any of the below, they will be removed from all live lessons indefinitely and parents/guardians will be informed:

Making racist, homophobic, sexist or any other discriminatory or offensive comments. This will be followed up in accordance with the Academy's behaviour policy.

Remember our key drivers! These are more important now than ever as you engage in remote learning.
