# Success Stories

Our Rugby Union Scholarship at Wath Academy has produced some incredible success stories.

From representing regional and national teams to earning professional contracts, our scholars are thriving both on and off the field. The programme continues to be a powerful pathway for young athletes to reach their full potential.

## Benjamin and Samuel Smith

Benjamin and Samuel Smith joined our school in Year 7 and progressed through the ranks to play for the rugby scholarship team in Year 11. Their impressive performances led to them being selected by the Yorkshire Rugby Academy at the end of Year 11. This achievement culminated in both brothers signing two-year England Academy Player (EAP) contracts.

## Jamie Gill

Jamie joined us in Year 12 from St Pius School, already a part of the Bradford Bulls scholarship programme. During his two years at Wath, Jamie not only gained a strong academic foundation but also developed significantly as a rugby player. His hard work paid off when he signed a professional contract with the Bradford Bulls and later went on to represent Ireland at both U19 and Senior levels.

## Alice Hopkinson

Alice joined us in Year 12 from Maltby Academy and became one of our first female rugby scholars. Alongside her academic studies at Wath, Alice made remarkable progress in rugby, earning a place in the Yorkshire U18 Girls team a year early. We're excited to follow Alice's journey as she continues to grow in the sport.

## Harry Homan and Finlay Davies

Harry Homan and Finlay Davies joined our Sixth Form specifically to take part in the rugby scholarship programme. Both have been standout performers throughout their time with us, which has led to them earning trials with Scotland Rugby.

## Benjamin Smith

In 2026, Benjamin signed his first professional contract with Exeter Chiefs.
