Dear Parent / Carer,

### **Careers Event**

As part of their careers education, Y8 students will be taking part in a "**Careers Speed Networking**" event on Wednesday 25 May. We are looking forward to welcoming a number of volunteers, from a variety of local businesses and organisations to meet our students and share information about their jobs and career paths. Students will be in small groups and spend 5 minutes with each visitor to ask questions and discover more about their roles and areas of work.

By taking part in this fun, engaging activity, students will have the chance to learn more about the world of work and be inspired by the wide range of career opportunities that are available to them.

If you have any questions or would like any more information, please contact the careers team via email: [careers@wathacademy.com](mailto:careers@wathacademy.com).

Yours sincerely

Mrs J Frith
