is outstanding”
Ofsted 2023

Students in the Sixth Form are unanimous in their positive view of the Academy. They are keen, ambitious, articulate and enthusiastic about their studies.

They benefit from a wide range of academic and vocational courses that are well taught by expert teachers.

Beyond lessons, there is an extensive range of experiences available, including a medics club, sporting activities, scholarship programmes, visiting speakers, work experience and additional study programmes.

Students take up leadership positions and act as coaches or mentors to younger pupils. Students in the Sixth Form achieve excellent outcomes and are very well supported to progress to the next stage of their education or employment.
