

Wath Academy

Wider Enrichment Programme

Term 1

2025–26

Dear Parent/Carer

At Wath Academy, we have a very proud tradition of providing outstanding enrichment opportunities for our students to take part in. Below, you will find a list of wider enrichment activities on offer for Term 1 of this academic year. These will take place after school or during lunch time, starting Week 2 (WC 08/09/2025) and are in addition to the Wednesday afternoon 'enrichment for all' offer.

We believe that students who take part in enrichment activities develop character to complement their academic achievements and create memories that last a lifetime. This is a key part of our curriculum intent and something we feel contributes to the holistic development of your child. Participation in an enrichment activity can be pivotal in maintaining positive mental and physical health. Therefore, we encourage all students to take part in at least one wider enrichment opportunity from the extensive range on offer.

Students do not need to sign up (unless stated) and can simply turn up at their chosen activity. However, it is important that you check the activity details carefully and ensure that the targeted age range is appropriate for your child. Please note that following participation in an after-school enrichment activity, it is the responsibility of parents and carers to ensure that their child is able to make their way home safely.

Yours sincerely

Mr C Shaw
Assistant Principal
