HT6 (7 <sup>th</sup> June – 16 <sup>th</sup> July 2021 (6 weeks))						What does this year contribute towards? How does this year deliver the curriculum intent? This year gives students an understanding of the British constitution, how Parliament operates and holds Government to account as well as the relationship between the British political system and the EU. This allows a more detailed study of the 3 main branches of government to take place in Y13. This will help develop their cultural capital, by helping them to become active and engaged systems who understand the British political system.

HT6 (7 <sup>th</sup> June – 16 <sup>th</sup> July 2021 (6 weeks))						What does this year contribute towards? How does this year deliver the curriculum intent? Students will develop an understanding of the American political system and make comparisons to the British system. This year focuses on developing an understanding of the basics of the system such as the constitution, the political parties and the election process. This will allow them to debate and discuss the advantages and disadvantages of both systems.

Socialism									
HT6 (7 <sup>th</sup> June – 16 <sup>th</sup> July 2021 (6 weeks))						What does this year contribute towards? How does this year deliver the curriculum intent? Students develop an understanding of the three main ideologies that underpin global politics. By studying these three ideologies, it will help students explain the tensions between the different political parties as well as global tensions that have helped create the modern world such as the Cold War. It should help students not only develop their debating skills as the examine the different strands within each ideology but also their own political outlook.
