Dear Parent/Carer

This evening the Government announced that schools will reopen from Monday 8<sup>th</sup> March 2021. We are delighted to be welcoming our students back to the academy to commence face to face teaching from this date.

The Government have stated that further details around the mass testing programme and additional safety measures will be released this week. Following the receipt of this information our senior team will meet to finalise our plans, including a thorough review of our risk assessment. After this meeting we will communicate the specific details of our plans as soon as possible.

Yours Sincerely

Mr Ransome
