

**Wath Academy**

21 April 2021

Dear Parent / Carer

The Academy has not received the next delivery of home testing kits from the Government. We have been informed that there are a lot of schools in a similar position due to issues around national delivery schedules.

We have been assured by the Department for Education that we will receive the testing kits by Friday this week. As soon as testing kits are received, they will be distributed to students as previously.

Yours sincerely

Mr Ransome
