

Wath Academy

10 June 2021

Dear Parent / Carer

The Academy has been notified that two students (one in Y7 and one in Y10) have tested positive for Covid-19. In line with our planned response the Academy has sought advice from the Department for Education and we have specifically followed their guidance by implementing all necessary measures which includes self-isolation for the affected student and those directly in contact with the student.

In the interests of confidentiality I am unable to identify the students concerned, however, I can reassure you that all students directly affected by this have been contacted and all families have been given the appropriate advice.

Thank you once again for your support during this time.

Yours sincerely

Mr Ransome
Principal
