

**Wath Academy**

11 November 2021

Dear Parent / Carer

### **Queen's Platinum Jubilee Celebrations**

We would like to communicate to you a change to the published 2021-22 academic calendar to recognise the additional bank holiday given to schools to celebrate of the Queen's Platinum Jubilee.

A national bank holiday has been announced for 3rd June 2022 and the DfE has amended the Education Regulations to reduce the school year from 190 days to 189 to acknowledge this. As many schools will be on half term break on the 3rd June 2022, the DfE have asked schools to identify another day of holiday elsewhere in the year on which the school will be closed to staff and students.

The Trustees of Maltby learning Trust have therefore identified that this additional day will be taken on Thursday 21st July 2022 and therefore, the last day of the summer term will be Wednesday 20th July.

Don't hesitate to contact me if you have any questions.

Kind regards

Liam Ransome
