

Wath Academy

10 December 2021

Dear Parent/Carer

Year 9 Options Evening

I hope this letter finds you safe and well. Overall, I am delighted with the progress and resilience shown by Year 9 students on the back of two disrupted academic years. We are now at a very exciting milestone in the school life of Year 9 students as they will soon embark on the process of selecting their optional subject choices for Year 10 and Year 11.

To support this process, I would like to invite you to attend our Year 9 Options Evening on **Thursday 6 January 2022**. There will be presentations from myself as Academic Year Leader and from the Principal, Mr Ransome. There will be two opportunities to attend the presentation, the first at 5pm and the second at 6pm. Following this, you will be able to visit subject areas and better understand what is on offer and ask any questions to subject teachers. This will provide you with the information needed to support you child in making an informed decision.

During the Year 9 Options Evening you will receive a copy of the options brochure. The brochure contains additional information about the subjects and the options process. This will also be available to view on the school website.

Alongside the presentation evening, students will be accessing information advice and guidance content in their Life Skills lessons that will further support them in making an informed decision.

Students will complete their choices week commencing **14 February 2022** and these will be confirmed in the week commencing **21 March 2022**.

I would like to take this opportunity to thank you for your continued support. Please do not hesitate to contact me via email at sdavies@wathacademy.com if you have any further questions.

Yours sincerely

Mr S Davies

Y9 Academic Year Leader
