Careers Event – Y10 Mock Interview Day

Dear Parent / Carer,

As part of their Careers education, Y10 students are taking part in a mock interview day on Friday 18 March. We're looking forward to welcoming local employers and organisations into the academy to carry out practice interviews. This is an exciting and valuable opportunity for students to meet representatives from local businesses and experience what a real interview would be like, giving them the chance to practise their answers, develop their communication skills and build their confidence in preparation for their journey into Y11 and beyond.

Students have prepared for the activity during their Life Skills lesson, which covered job applications and preparing for an interview; staff from the Careers team will also be present to support students on the day. Afterwards, students will have the opportunity to receive feedback and speak to the interviewers.

If you would like any further information or have any questions, please contact the careers team via email: careers@wathacademy.com

Yours sincerely

Mrs J Frith
Careers Assistant
